## CLOSURES & MOVEMENT RESTRICTIONS

### Roe Highway / Berkshire Road Interchange, Forrestfield

**From 5am, Monday 30 November 2015**

To progress construction of the Roe Highway / Berkshire Road interchange, some temporary closures and movement restrictions will be required until early February 2016.

As such, the **Roe Highway / Berkshire Road interchange** will become **left in (entering the residential area) and left out (exiting the residential area) only**.

The following movements will be **unavailable** at the Roe Highway / Berkshire Road interchange **from 5am, Monday 30 November 2015 until early February 2016**:

All access to / from Roe Highway and Berkshire Road north of Roe Highway (industrial side) will be unavailable.

- No left turn from Roe Highway eastbound to Berkshire Road northbound
- No right turn from Roe Highway westbound to Berkshire Road northbound
- No left turn from Berkshire Road southbound to Roe Highway eastbound
- No right turn from Berkshire Road southbound to Roe Highway westbound (**until 5am, Friday 18 December 2015**)

Access to / from Roe Highway eastbound and Berkshire Road south of Roe Highway (residential side) will be unavailable.

- No right turn from Roe Highway eastbound to Berkshire Road southbound

- No right turn from Berkshire Road northbound to Roe Highway eastbound.

Two turning movements between Roe Highway westbound and Berkshire Road south of Roe Highway (residential side) will **remain available** at the interchange during the closure period.

- Left turn from Roe Highway westbound to Berkshire Road southbound will be available
- Left turn from Berkshire Road northbound to Roe Highway westbound will be available.

Roe Highway eastbound and westbound travel through the interchange will **remain available**.

Berkshire Road northbound and southbound travel through the interchange will become available **from 5am, Friday 18 December 2015**.

Please refer to page 2, 3 and 4 to view the movements that will be available during the closure period.

Please refer to page 5 to view the closure locations and the suggested alternate routes for the unavailable movements.

Signage will be in place to guide road users through these changed traffic conditions and the alternate route. Road users are encouraged to plan their journey to avoid the area if possible or factor extra travel time.

Gateway WA appreciates your patience whilst these vital works take place and looks forward to delivering the upgraded interchange to the community by the end of March 2016.
