## TEMPORARY CLOSURES & DETOUR

Principal Shared Path: Tonkin Hwy between Middleton St & Dunreath Dr  
**Monday, 1 February to Friday, 12 February 2016, 7am – 7pm daily**

To facilitate the installation of screen walls adjacent to the newly constructed Principal Shared Path, temporary day time closures of the path will be required.

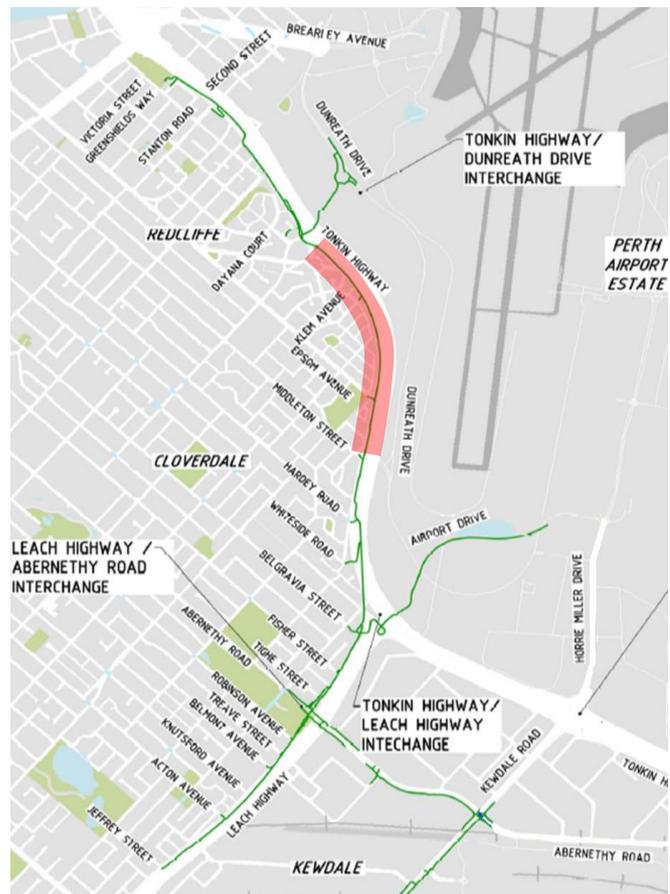

As such, the Principal Shared Path adjacent to Tonkin Highway will be closed between Middleton Street and Dunreath Drive.

The closure will be in place from Monday 1 February to Friday 12 February, between 7am and 7pm each day. The path will be reopened each evening.

Please view the enclosed map showing the closure location and suggested alternate route.

Cyclists will be able to exit and re-enter the path at Middleton Street and Dunreath Drive (i.e. adjacent to Redcliffe Park).

Signage will be in place to guide cyclists and pedestrians through the changed conditions.

Above: Shown in green is the newly constructed Principal Shared Path and local connections. Shown in red is the section of path temporarily closed.
